

Goodbye 2017... hello 2018

The Skills Hub will close on Wednesday, 20th December for the Christmas holidays and reopen on Thursday, 4th January 2018 for Target Setting Day. Classes resume as normal on Friday, 5th January.

Skills London

Our Year 11 students visited the Skills London event at the O2 arena. Where they were able to meet representatives from colleges, other educational providers and employers. They showed purpose and integrity using their time wisely, as they spoke with various contributors at the event and received important advice. Well done!

Students speaking to contributors at Skills London November 2017

Attendance watch

Attendance is important because students are more likely to succeed in their subjects when they attend school consistently. It will be difficult for you to achieve your potential if you are frequently absent. Please remember that you need to be at school from 9.45am.

Well done to our 2 Year 10 students, **Avishek Luchmun and Ibrahmio Bah** who achieved excellent 100% attendance before the half-term.

Heathrow Jobs & Careers Fair

Heathrow Jobs & Careers Fair **29 – 30 January 2018** FREE ENTRY
Sofitel Hotel, Terminal 5 Heathrow – Start your journey to a great career

The unmissable Year 11 event is the Heathrow Jobs & Careers Fairs. A wide array of contributors local to the area offering excellent advice on the current job markets.

Safe and strong – TSG (Territorial Support Group)

Throughout the school year there will be workshops that focus on personal safety. The territorial support group spent the afternoon at TSH with our students

Enthusiastic staff and students trying out TSG gear

explaining their role within the police force. After an interactive session the team encouraged students to try on some of the TSG's protective riot gear.

Merry Christmas
